- Points by division rather than from every class they are in
  - Add up all class points and store it for each combo number in the division
  - Validation check for combo numbers that are entered for places 1-6 to check if those combo numbers even exist
  - Over fences
  - Software or human calculation for champion/reserve champion
  - For over fences divisions scoring is like the Hunter championship chart
- Scoring
  - List divisions for show, that is clickable
  - Table similar to the championship chart
- Billing
  - Just mark the combo as paid/not paid
  - Make sure to add if they have paid vs not paid
  - Mostly just cash or check, not card
- Horse rider combo model has a paid/not paid field
- If register but don't come, just throw it out
- If pre-registered, will scratch when they come
- From main show page
  - Link to edit horse/rider on that page
  - scratch a rider
- Edit Combo Page
  - Never change combo number
- Prefer adding classes unique to show
- Want to keep horse/rider/ combo info for historical purposes
  - Keep judges sheets for a year
- Edit show
  - Date of show, name, location is never changed once its been set
- Licensing
- Calendar to enter show date
- Horse selecting
  - Have Barn Name listed with horse name
  - Delete barn name field
- Comments on what we have so far:
  - Small medium large only applicable to pony
  - Need coggins ascension number AND the coggins number
  - Need birthdate if under 19 (avoid using the word "minor")
  - Add contact/emergency info stuff to combo page
    - Some give number or email
  -
